(B) *Collection of the tax:* Every person engaged in the business of the short-term lease or rental of vehicles at retail to the general public shall collect at the time of the lease or rental the tax herein levied, place the tax so collected in a segregated account, and thereafter remit such tax to the Tax Collector in accordance with the provisions of this section. The amount of the tax shall be stated separately from the lease or rental and shown separately on the taxpayer's records. The tax shall be paid by the customer to the taxpayer as trustee for and on account of the city. The taxpayer shall be liable for the collection thereof and for its payment to the Tax Collector and the taxpayer's failure to charge or to collect said tax from the customer shall not affect such liability.

All records, books and accounts herein described shall be open for examination at all reasonable hours during the day by the Tax Collector or his duly authorized agent.

- (E) *Tax Collector to provide forms:* The Tax Collector shall design, prepare, print and make available to all taxpayers operating within the municipal boundaries of the city, forms and instructions for filing returns to insure a full collection of and an accounting for taxes due.
