The City of Belmont contracts with Waste Management for its residential recycling program. Anyone living in the city limits can receive a free recycling bin by contacting Waste Management at **704-824-2011**.

You do not need to sort your recyclable items. Simply put your recyclables in the green bin and place the bin at the curb with your garbage can. It will be collected on the same day as your garbage collection.

The following items can be placed in your bin to be recycled:

newspapers (with inserts)	glass (clear, green, and brown color)
aluminum, bi-metal, ferrous and steel cans	HDPE (milk and detergent containers only)
PET-type plastic containers (soda bottles only)	flattened, bundled corrugated cardboard (less than 2' wide by 2' long by 1' deep)
Mixed paper products (e.g. mail, magazines, catalogs, etc.)
